Dear Parents,

Thank you for your interest in Faith Preschool. We look forward to being a part of your child's education experience.

When I receive the completed form and non-refundable fees, your child will be enrolled in the class that corresponds to his/her age. If you feel that this class is not academically correct for your child, it is your responsibility to make an appointment with me so that I may help determine the best class for your child. Your child may only change classes with the approval of the director. Requests for teachers will be considered, but cannot be guaranteed.

As in the past, I will try to accommodate class placement for children in the same carpool. Please be aware that this is not always possible. There are multiple classes in the B and C and D levels. Carpool students in the same level do not need to be in the same classroom to have the same schedule.

After receiving your registration form, I will process it and mail you a confirmation letter. Please ensure that all the information on the label is correct. If corrections need to be made or you don't receive a confirmation letter, please call as soon as possible. Please feel free to call at any time with any questions or concerns.

Sincerely,
Judy Berggren
Director
