Dear Parents,

At this time we would like to extend the opportunity for you to enroll **younger siblings of our Faith Preschool students**. As in the past, younger siblings are guaranteed a position in next year's program. However, younger siblings must be enrolled by February 10, 2020.

Attached to this letter is a registration form. When we receive your completed registration form and registration fee, your younger child will be enrolled in the class that corresponds to his/her age. If you feel that this class is not academically correct for your child, it is your responsibility to make an appointment with me so that I may help determine the best class for your child.

Returning students are always guaranteed a position in next year's program. **Returning students will be registered as a part of the Parent/Teacher conferences in March.** At that time, your child's teacher will recommend to you which class your child should advance. If you feel that this class is not academically correct for your child, please discuss it with me. Your child may only change classes with the approval of the teacher and director. As in the past, we will try to accommodate class placement of children who are in the same carpool.

After receiving the registration form, I will mail you a confirmation letter. Please ensure that all of the information on the label is correct. If there are corrections, or you haven't received a confirmation letter, please call me at 637-9957.

Sincerely,
Judy Berggren
Director
